

**Dr. Rachel Dean BVMS PhD DSAM(fel) MRCVS**

Recognised RCVS specialist in Feline Medicine

Clinical associate Professor in Feline Medicine, University of Nottingham

Director of the Centre for Evidence-based Veterinary Medicine

School of Veterinary Medicine and Science, University of Nottingham, Sutton Bonington Campus,  
Loughborough, LE12 5RD

Rachel graduated from the University of Glasgow in 1996 and spent 6 years in general practice before taking the post of the Fort Dodge feline fellow at the feline centre at the University of Bristol from 2002-2005. Rachel holds the RCVS diploma in feline medicine and is a recognised RCVS specialist in this field. She has just completed a PhD on the epidemiology of feline injection site sarcomas in the United Kingdom and is currently a clinical Associate Professor in Feline Medicine at the new Vet School in Nottingham where she directs the Centre of Evidence-based Veterinary Medicine.
